Required Parent Volunteer Registration:

All families are required to provide a volunteer to the VBS program . Some volunteer positions can be done outside of VBS time and some can be done by those under 18. Please see the grid below to choose a position that is best for your family. If your teen will be helping, please register them on the front side of this form.

I understand that I need to complete the following requirements to volunteer in the VBS program. Please circle the following positions for which you would like to volunteer. Jobs will be assigned on a first-come basis. If more than one person in your family will be volunteering, please write the individual’s name next to each volunteer position desired. Thanks!
